

Job Description – Garden Center Cashier

We are looking for a self-motivated and enthusiastic individual to join our team as a Garden Center Cashier at D.R. Snell Nursery. This person will support the garden center by completing customer transactions, organizing the greenhouse, assisting customers with putting together appealing gardening solutions, and maintaining tidy display areas. We work in a team environment, so strong collaborative problem-solving skills are required. Whether you're an avid gardener, have a wealth of horticultural knowledge, or just have an admiration of plants, we welcome you to apply to D.R. Snell Nursery.

Working Hours

This is a seasonal position with the potential to become a permanent role. We offer full-time and part-time opportunities. You must be able to work on Sunday.

Responsibilities

- Operate cash register and complete customer sales in a professional, organized, and polite manner.
- Box plants, gift wrap merchandise, and organize/load carts.
- Assist customers with locating and understanding annual plants such as flowers, herbs, and vegetables.
- Maintain plants & display areas, including, watering, fertilizing, and cleaning.
- Move, lift, and organize plants in the greenhouse.
- Use creativity skills to assist customers with finding plants to match and inspire their gardening vision.
- Obtain and retain a working knowledge of types of annuals and how to care for them.
- Work with customers and co-workers to identify product solutions.
- Work productively in a team to provide an enjoyable experience for customers.

Required Skills and Qualifications

- 1 year of retail experience. Garden center experience is a plus.
- Experience operating a POS system (cash register).
- Superior verbal communication skills. Patient and well-mannered when working with customers & co-workers.
- Proven ability to quickly learn and understand standard operating procedures.
- Proven ability to handle and prioritize multiple tasks at any given moment.
- Ability to lift items up to 50 lbs.
- Willingness to learn and retain horticultural information.
- Intermediate Spanish speaking ability is a plus.

Company Overview

D.R. Snell Nursery is a full-service garden center, serving the community for over 30 years. We locally source plants and supply organic options. We have friendly experts on hand to inspire and teach, no matter what your experience level. We want to help beautify your surroundings, with our diverse selection of trees, shrubs, perennials, annuals and home décor. We have been serving gardeners in four counties since we opened in 1985. We carry the highest quality nursery stock, a broad selection of hard-to-find perennials, and a full line of organic products.

Our Benefits

- Team-oriented & friendly environment
- Generous employee discount
- Paid Time Off (available to full-time employees)
- 401k with company match (available to full-time employees)
