

Job Description – Greenhouse Associate

We are looking for a self-motivated and enthusiastic individual to join the team as a Greenhouse Associate at D.R. Snell Nursery. This person will support the greenhouse by maintaining plants, organizing the greenhouse, and assisting customers with putting together appealing gardening solutions. We work in a team environment, so strong collaborative problem-solving skills are required. This is a part-time, seasonal position.

Responsibilities

- Assist customers with locating and understanding annual plants such as flowers, herbs, and vegetables.
- Maintain plants & display areas, including, watering, fertilizing, and cleaning.
- Move, lift, and organize plants in the greenhouse.
- Use creativity skills to assist customers with finding plants to match and inspire their gardening vision.
- Obtain and retain a working knowledge of types of annuals and how to care for them.
- Work productively in a team to provide an enjoyable experience for customers.

Required Skills and Qualifications

- 2 years of retail experience. Garden center experience is a plus.
- Proven ability to quickly learn and understand gardening information.
- Intermediate knowledge of annual plant care.
- Superior verbal communication skills. Patient and well-mannered when working with customers & co-workers.
- Proven ability to handle and prioritize multiple tasks at any given moment.
- Ability to lift items up to 15 lbs.
- Work with co-workers to identify product solutions.
- Skid Loader certification is a plus.
- Intermediate Spanish speaking ability is a plus.

Company Overview

D.R. Snell Nursery is a full-service garden center, serving the community for over 30 years. We locally source plants and supply organic options. We have friendly experts on hand to inspire and teach, no matter what your experience level. We want to help beautify your surroundings, with our diverse selection of trees, shrubs, perennials, annuals and home décor. We have been serving gardeners in four counties since we opened in 1985. We carry the highest quality nursery stock, a broad selection of hard-to-find perennials, and a full line of organic products.

Our Benefits

- Team-oriented & friendly environment.
- Paid Time Off
